

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay.

Applicant by his duly authorized attorney herewith elects the method of claims 1-9 with traverse.

According to 37 CFR 1.475(b)(1) "An international or national-stage application containing claims to different categories of invention will be considered to have unity of invention if the claims are drawn only to one of the following combinations of categories: (1) A product and a process specially adapted for the manufacture of said product." Accordingly, now that claims 21 and 22 have been canceled, claims 10-20 are rightfully in the case.

Respectfully submitted,
K.F. Ross P.C.
